

Texas Hurricane Relief

A MESSAGE FROM THE TEXAS CHURCH OF GOD DISASTER TEAM:

In the devastating aftermath of Hurricane Harvey, we welcome and thank the many ministerial partners of the Church of God for their prayers, love and ongoing concern and genuine desire to give needed material and financial aid to us.

As God has ordained, the Churches of God in Texas and their assemblies: Texas General Assembly, Texas State Association of the Church of God and Texas Church of God Concilio are working together to care for, aid and support all the affected congregations and constituents of the Churches of God in our state.

Collectively, we have formed the Texas Church of God Disaster Team, to coordinate, expedite and ensure the fair, appropriate and accountable distribution of all gifts received. Additionally this Team will have the responsibility for approving and overseeing all distributions. This committee will consist of equal representatives from the diverse constituency of Church of God in Texas, and will have direct contact with the Pastors and congregants who are recipients of the aid.

As this committee continues to offer “boots on-the-ground” and oversight of funds of donations received, we assure you that any funds or materials sent and designated for a specific congregation or specific function, will be reserved and distributed solely for that use.

We have established two points of distribution for donations:

Gifts of building supplies, food, toiletries, and bedding supplies can be sent to either of the two staging points noted below. Church of God Disaster Team representatives will receive and disperse the goods as needed.

WESTERN UNIT: Rev. Sandra McNeese, Camp Hallettsville, 401 S. Dowling Ave., Hallettsville, TX 77964, Ph: 832-647-3996

EASTERN UNIT: Dr. Jim Feirtag, Parkgate Community Church, 3715 Preston Road, Pasadena, TX 77505, Ph: 281-487-4283
