MAYCOG Presents

Good Sex: What (Almost) Nobody Will Tell You About Sex

A Whole-Person Approach to Teenage Sexuality and God

Join MAYCOG as we explore sex, sexual identity, intimacy, desire, responsibility, and God's plan. We have planned a 3-weekend seminar to thoroughly explore God's plan for sex and sexuality with teens 12 and older. Here are some of the Big Ideas behind *What (almost) Nobody Will Tell You about Sex*:

- We're created in God's image, male and female.
- Sexuality is a wonderful, complex gift that takes a lifetime to explore.
- Sex touches every part of us—our bodies, sure, but also our minds, emotions, spirits, and every relationship from our families to the God who makes us sexual (and everyone in between).
- Sex is affected by our brokenness and wrongdoing, just like everything else about US.
- Sex can be rescued and renewed by the grace of Christ, just like everything else about us.

Pastor Hatter was accompanied by a couple of family members for the day, who enjoyed sharing this special time with him. As the Veterans and the rest of the group paraded through St. Louis Lambert and Ronald Regan National Airports, they were flanked with applause and "Thank You's" for their service. In addition to visiting the WWII Memorial, the group also went to the Lincoln and Vietnam Memorials, as well as Arlington National Cemetery. Witnessing the Changing of the Guard at the Tomb of the Unknown Soldier, was a very somber yet proud experience. The Veterans probably had many racing thoughts of when they were young men and had to perform guard duty. Pastor Hatter shared several stories and experiences throughout the day as did the others and expressed his gratitude for the trip coordinators. He even mentioned how he wanted to send President Obama a letter of appreciation for his consideration towards the retired military. "I did my part in keeping our country free and

I pray for our present military and especially our President. I never thought I would live to see the day this country would elect an African American man but I'm glad I lived through the war and to see this happen." Upon his return from military life, he was employed with Mallinkrodt Chemical and became an ordained minister and pastor for a several churches throughout the Metropolitan St. Louis area.
